

## Owerko Centre Research Staff Award Description

### Description:

The Owerko Centre Research Staff Award is a unique award aimed at recognizing the excellence of research staff. The primary purpose of this award is to honour and publicly recognize the achievements and contributions of research staff in service, leadership, and teamwork that supports the values, mission, and goals of their labs.

**Award value:** Up to \$150.00 in value from the UofC bookstore

### Eligibility:

- Research staff currently employed within the research group of an Owerko Centre member
- Examples of research staff include: Lab Manager, Research Coordinator, Laboratory Technician, or Research Assistant
- Maximum one nomination per lab

### Nomination requirements and application instructions:

- Completed nomination form
- One page maximum description either single or double spaced of how the nominee meets the award evaluation criteria. Please use Times Roman 12pt font and .75 margins
- Nominations must be written and signed by the nominee's research supervisor
- Combine application and description in a PDF document and send to [owerko.centre@ucalgary.ca](mailto:owerko.centre@ucalgary.ca)

### Evaluation criteria:

Eligible nominations will be reviewed by selected Owerko Centre Executive Committee member(s) or members.

Nominations will be assessed based on examples of how the nominee has:

- excelled in the fulfilment of their assigned roles and responsibilities, frequently exceeding expectations;
- delivered contributions to research output within their labs, such as publications and knowledge translation;
- demonstrated initiative, creativity, and resourcefulness in their work;
- provided positive supervision and mentorship to other lab members and colleagues including fellow staff and trainees of all levels; and
- exhibited and promoted a commitment to the values, vision, and goals of the University of Calgary and the lab where they work.
