APPLICANT: PERSONAL INFORMATION	
Applicant's name	Present address
Telephone	Email address
Current degree program and discipline	Current level of study <input type="checkbox"/> Master's <input type="checkbox"/> PhD <input type="checkbox"/> Post-Doctoral

APPLICANT: PROPOSED TECHNIQUES/ EXPERIMENT/ COLLABORATION
Proposed training/project title:

**Proposed training/project description:**

Provide a one-page description of the proposed technique, experiment, or collaboration demonstrates how it expands your research scope and skillset beyond your current expertise.

**Please note:**

- **The description must be written by the applicant**
- **The budget should be attached as a separate 1 page document**
- **Maximum length of one page with 12pt font and .75 margins**
- **Single spaced**
- **Applications will be reviewed by a multi-disciplinary panel so please ensure that the project description can be understood by a non-specialist reviewer**

**APPLICANT: CURRENT PROJECT**

**Description of current projects:**

Please refer to the award description and evaluation criteria for specific award application considerations. Provide a one page overview of the applicant’s current projects, and explain how the proposed experiment differs from those used in current projects (e.g., techniques, topics and methods).

**Please note:**

- **The description must be written by the applicant**
- **Maximum length of one page with 12pt font and .75 margins**
- **Single spaced**
- **Applications will be reviewed by a multi-disciplinary panel so please ensure that the project description can be understood by a non-specialist reviewer**

**SUPERVISOR STATEMENT**

My signature below indicates that: a) I fully support my trainee’s application; b) I agree that this training program and opportunity will enhance my trainee’s and my research program; c) I agree that the budget submitted is accurate and reasonable.
