AWARDS

2021 University of Calgary Teaching and Learning Grants
Funded by the Provost’s Office and supported by the Taylor Institute for Teaching and Learning, these grants enhance student learning experiences across campus. This year 26 projects were funded. Congratulations to Drs. Linda Duffet-Leger, PhD, and Mohammad Moshipour, PhD, on their cross-cutting project Ignitingale - Developing
Helping UCalgary students with stressful experiences
Dr. Gina Dimitropoulos, PhD, is leading the Brief-UP study piloting a remote intervention using the Unified Protocol (UP), a cognitive-behavioural therapy treatment for students diagnosed with anxiety, depression and related disorders available through the Wellness Centre. Dimitropoulos was selected as a UCalgary Peak Scholar - COVID-19 Innovation Excellence for her work on this program.
