Cancel

*If the 6-digit code is not working or you took too much time to enter it, please click on “Resend code”.

*If you are still having issues with the code, please contact Good Grants directly at: help@goodgrants.com. A Good Grants team member will respond within 3 hours.

Step 4: You will be prompted to set up a multi-factor authenticator. You can use one of these applications:

- **Microsoft Authenticator *Recommended option*:** The same app is used by the University of Calgary. If you select this option, you can open the app and scan the QR code directly from it.
- Google Authenticator
- Okta
- OneLogin Support

Troubleshooting tips for multi-factor authenticator (MFA) set-up:

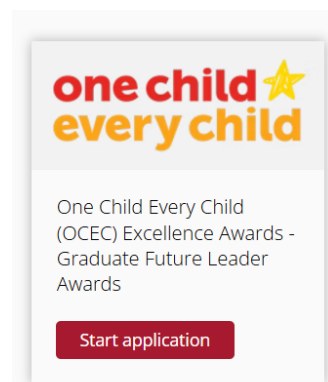

There are many MFA apps available. Each of these utilities is slightly different but may encounter similar issues including lost backup codes, syncing problems, authenticator app glitches, or even network connection snags.

Check out the links below to view help documentation created by the most commonly selected providers to help troubleshoot MFA set-up:

- [Okta end user support](#)
- [Microsoft Authenticator FAQ](#)
- [OneLogin support](#)

If issues persist, please contact Good Grants support team: help@goodgrants.com

Step 5: Once you are logged in, you will be taken to the general page. Click on “Start application” for the award you wish to apply for.

Step 6: Complete the application form and make sure to click on **“Submit application”** at the end of the application form.

Submit application

*You may modify your application form until the deadline by accessing your account on Good Grants.
