

New ACHRI Graduate Award Competition (GAC) Instructions

As you may know, the Graduate Award Competition (GAC) is now open. The [GAC Competition](#), administered by the Faculty of Graduate Studies (FGS), offers various scholarships including Izaak Walton Killam Doctoral Scholarship, Open Doctoral Scholarships, and Alberta Innovates Graduate Student Scholarships.

This year, the ACHRI Graduate Scholarship will be part of the GAC application process. If you are planning to apply for an ACHRI Graduate Scholarship for the September 1, 2022 start date, you must submit a GAC application and indicate your intent to apply for an ACHRI Scholarship. The detailed process is outlined [here](#).

The GAC application deadline is 11:59 PM on Monday, January 10, 2022, for students enrolled in CSM-based programs. Please note that this deadline may be different if you are enrolled in a graduate program in another faculty. Please check with your program to find out your faculty's/program's internal deadline for the GAC competition.

In addition to the GAC application, which can be accessed through Student Centre under the My Financials tab, students applying for an ACHRI Graduate Scholarship are required to complete the [Harmonized Award Attachment](#) and submit it to awardsgse@ucalgary.ca by **Tuesday, February 15, 2022**.

Please note that this process and deadlines are for new applicants only. Current holders of ACHRI scholarships wishing to renew their awards for a second year should apply internally to ACHRI as outlined on the [ACHRI website](#).

Please contact Julia Klenin-MacLock at jklenin@ucalgary.ca with any questions.
